Seniors, **Donna Hollingworth** and **Brenda Bridwell**, "ham-it-up" for a Fasti photographer. Δ

The crowd laughs at the antics of **Mrs. Abila** as she attempts to conduct the Pep Band in "Fite" at the Welcome Rally. ▽

Patti Tundis of the Girls' Varsity Tennis Team shows her skill as she slams the ball over the net to her opponent. ▽

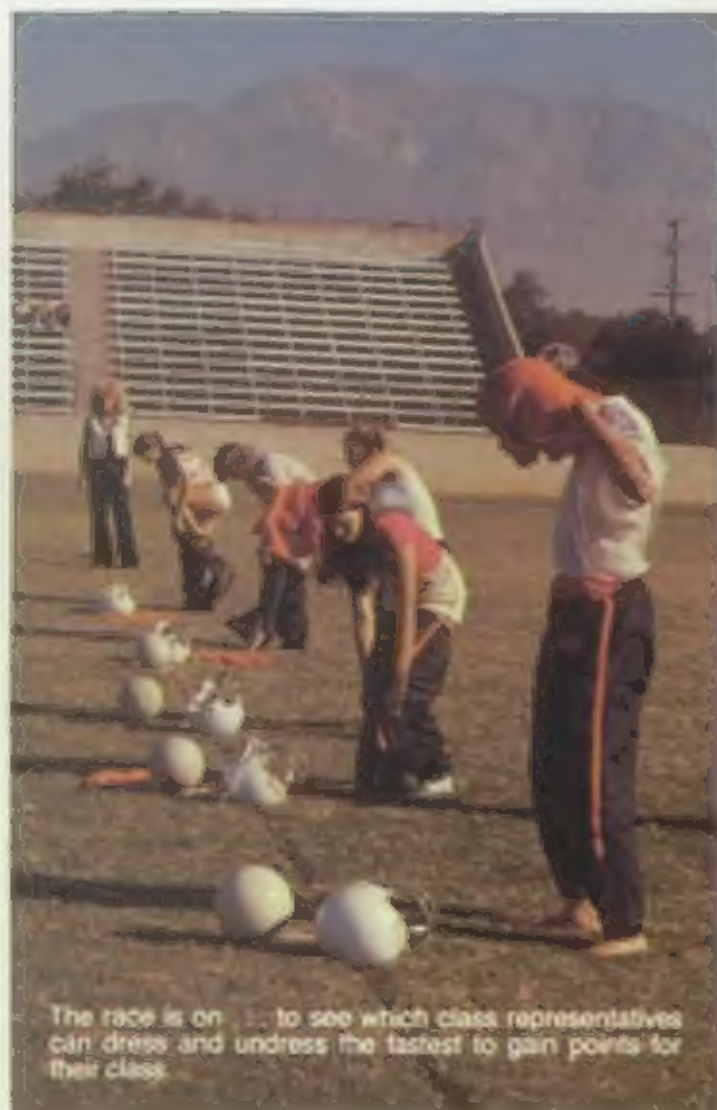

Underclassmen smile with relief that their class is over, but dread the fact that another is coming up. △

Mrs. Jean Kaiser takes time from her busy day to help students at the student store. △

"Dynamic Duos" was the theme for the backwards dance put on by the senior class. Here, Princess Lela, Luke Skywalker and Count Dracula dance to the sounds of "Brass Knuckles."

The race is on to see which class representatives can dress and undress the fastest to gain points for their class.

Geronimo Henry Gonzales leaps into action during the "Welcome" rally.

HAPPENINGS

The many dances, fund-raising activities, sport games, assemblies, and rallies — all of these were part of the world of Chatley. Such happenings, many of which were planned by Student Government, gave students a chance to escape from their routine schedules and enjoy themselves. How could one forget being spared the torture of taking that big test when his class was scheduled to attend a rally?

The memory of half the student body decked out in "Beat Upland" and "Demolish Damien" T-shirts will always remain in our minds. At the Upland football game, loyal tiger fans braved the down-pouring rain in the crowded stands to cheer the team on. Sounds of laughter and looks of sadness blended together as the realization of our loss and the appearance of others looking like drowned rats hit us all at once.

Other happenings included Backwards Week, the production of the play "Fancies and Fantasies", the faculty show, and the list continued . . .

CHANGES

Students returning to Chaffey for the 1979-80 school year were faced with numerous changes which proved to make the year quite challenging. Chaffey welcomed "Alta Loma" freshmen, which didn't help the problem of the crowded halls or the locker compound confusion. Because locker combinations had not been changed from the previous year, students were urged to use locks to protect their "valuables" which made going to one's locker even more time consuming than usual. To accommodate the additional population several new teachers were added to the Chaffey staff.

For the majority of students, school began at 7:43 A.M. and did not end

until 2:05 P.M. thus, scheduling first lunch at 10:35 A.M. and second lunch at 11:35 A.M. Consequently, sack lunches soon became known as sack breakfasts.

Sports teams, some of them having changes in coaching arrangements, found themselves within the new Baseline League. The new league brought much excitement as Chaffey battled rival Upland for the first time ever. Perhaps the largest change of all though, was entering a new decade — 1980.

Champion batonist, **Sandy Long**, brings excitement to the crowd as she twirls three blazing batons during one of the many halftime shows on Graber Field. >

"To Chaffey's glowing colors..." sing the new staff members at CHS in order to raise spirits during a rally held in honor of the football game against rival Upland. Δ

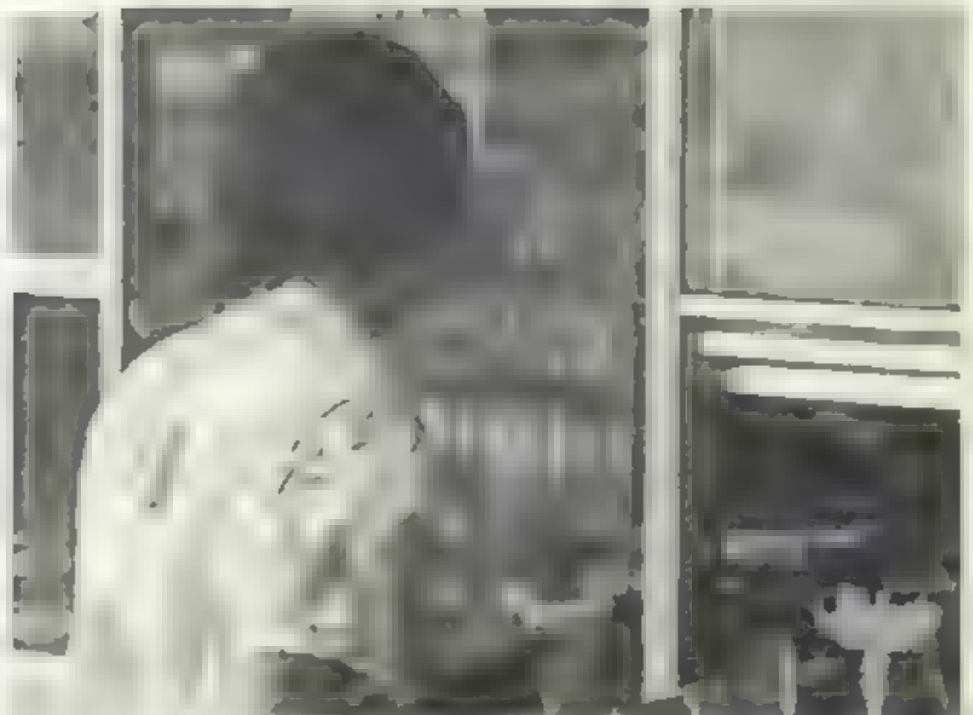

With the start of a new day, Chaffey students get ready to face a lot of pushing and shoving. >

Throughout our high school years we have taken time and effort to build new relationships and strengthen many of our already established ones. Friendships, ranging from very close ones to casual greetings, gave us many valuable experiences. Through our friends both peers and adults we learned to face and overcome difficult moments and identify our strengths.

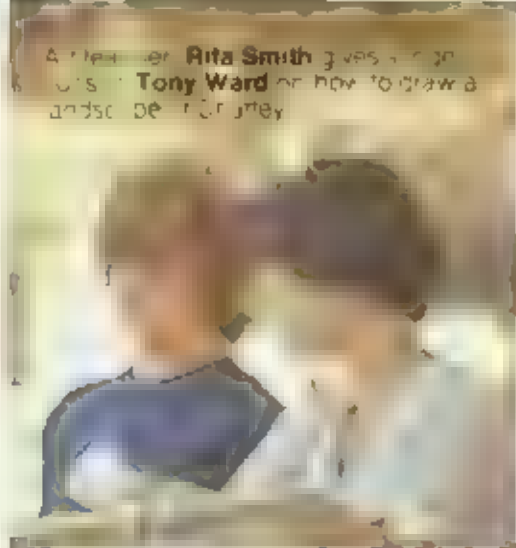

Everyone can remember that special person who took the time to notice a "big idea" and began a series of meetings, expression and took the time to help produce.

Some of the suggestions became "catch all" or "plan" to "catch" that special idea.

Another relationship was formed through team and club membership. Members were able to work together with the same goal — to win the game, create a project, or show the world.

RELATIONSHIPS

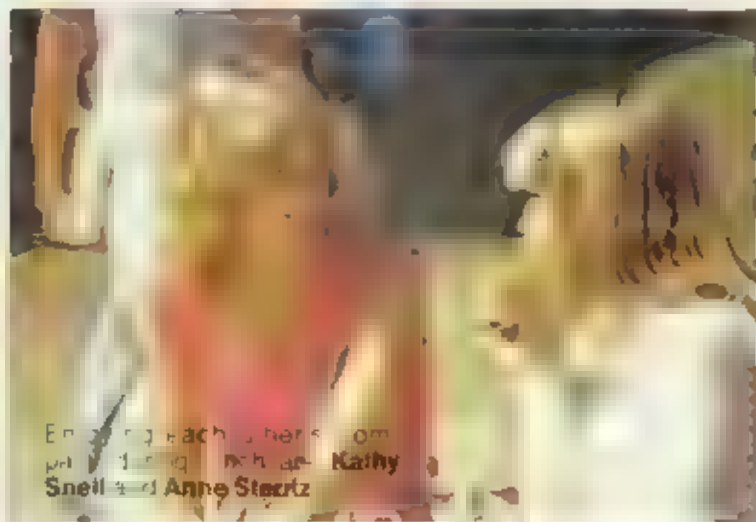

Relationships form a large part of our lives. They are forever beginning, growing, blossoming.

Art teacher Rita Smith gives a group of students Tony Ward on how to draw a landscape for them.

Discovering new art techniques. Back of a friend.

Engaging each other's from the beginning. Kathy Snell and Anne Steerz.

Provides a tender moment for Bobbie.

INDIVIDUALITY

In a school of approximately 3,800 students, where does individuality begin? At Chaffey, because of the population size, it was very often difficult to be recognized as an individual. Sometimes we felt lost among so many others, only faces in the crowd.

How could one forget being pushed along in a stream of bodies so quickly that one missed his or her own locker? Or being the only one whose efforts

were forgotten in the confusion?

Many of us found ourselves being classified as belonging to a certain "crowd." This was another unfortunate setback on the road to individuality.

Chaffey is a very, very handy man. Ed Huber, editor says it best: a handy man. He came up with a great idea.

Even though crowds were everywhere on campus, individuals were able to find their own space.

Waiting to join her class in P.E., Letty Jimenez lets her thoughts run free.

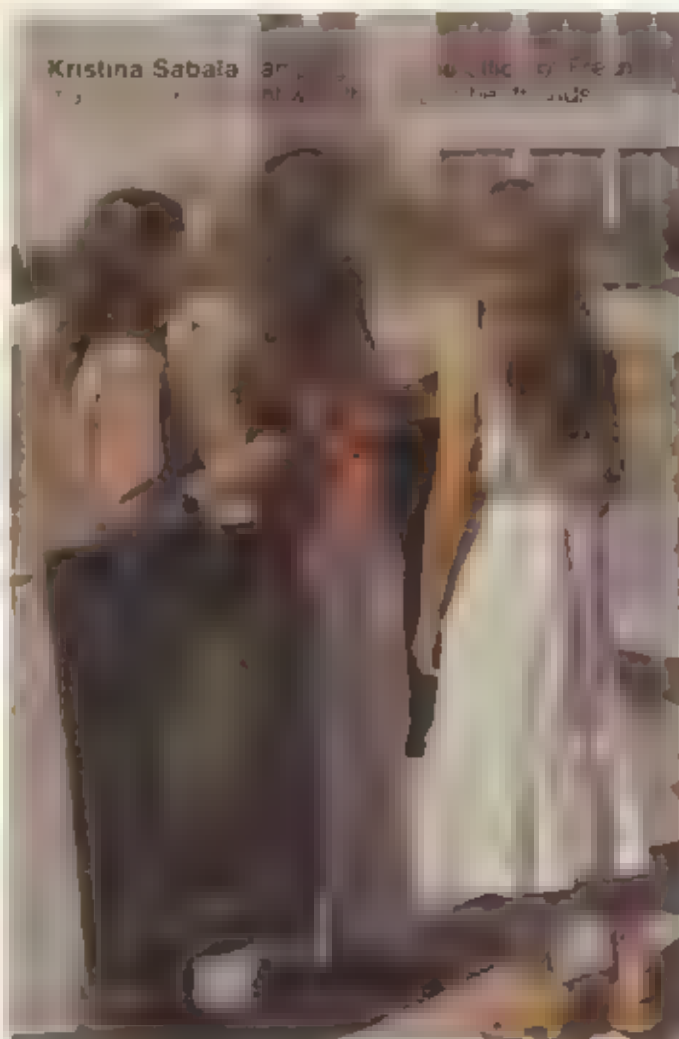

Team effort is dependent on individual. Resting on the sidelines, **Dan Vanderkallen** contemplates his next move to help bring Chaffey from behind.

For a while of his own. **Duane Deeds** daydreams while waiting for a friend.

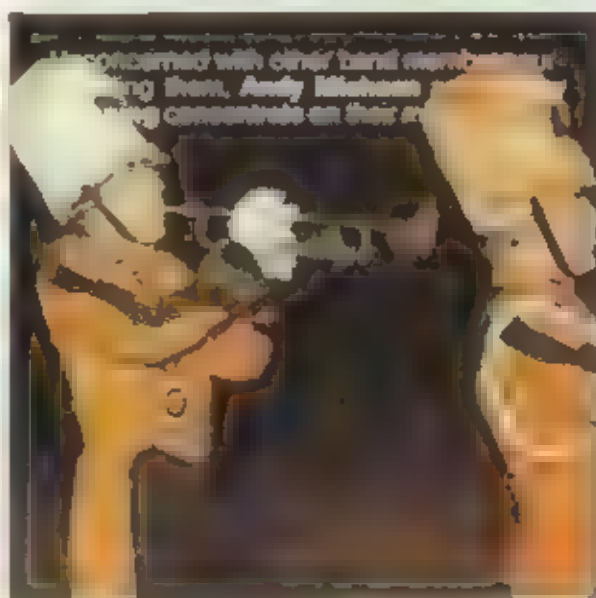

Lost in the confusion. Students push and shove in hopes of attaining the goodies they want.

Vincent Hare works intently on shaping a bowl, striving only for perfection.

Songleader Carl Simons dances to the sounds of the Pop Band in an attempt to entertain the crowd during a rally.

The atmosphere of Chaffey was one in which students were encouraged to express themselves. An endless number of activities were offered to those who were interested. For those who could not find an organization that interested them, a new club were always there.

EXPRESS YOURSELF

Many Chaffey students wore tennis shoes. Many Chaffey students wore khaki pants and white T-shirts. Others blended into the crowd in Levi's.

Those whose main interests centered on academics worked to become members of the California Scholarship Federation, while the more athletic students participated in sports. A wide variety of sports were offered at Chaffey, everything from field hockey to water polo. Students not quite good enough to make a team expressed themselves through intramurals.

HANGOUTS

Every student had a favorite place on or off campus where he liked to hangout

Driving by the school on Fourth Street in the morning hours, one could see the evidence of a Chaffey hangout through the clouds of smoke that lingered around the area. The area between North and South Halls, "Soc Square", and the locker compound became favorite places to meet and carry on conversations with friends during the day, much to the inconvenience of others.

These, along with the cafeteria and the

woody areas of North and South quads, were usually crowded during lunch hours. For these students who couldn't quite acquire the taste of cafeteria food, there were always the many fast food restaurants around town such as McDonald's and Del Taco. Carl's Jr. became one of the more popular hangouts which "took a beating" from students after attending various night time activities such as football games and intramurals.

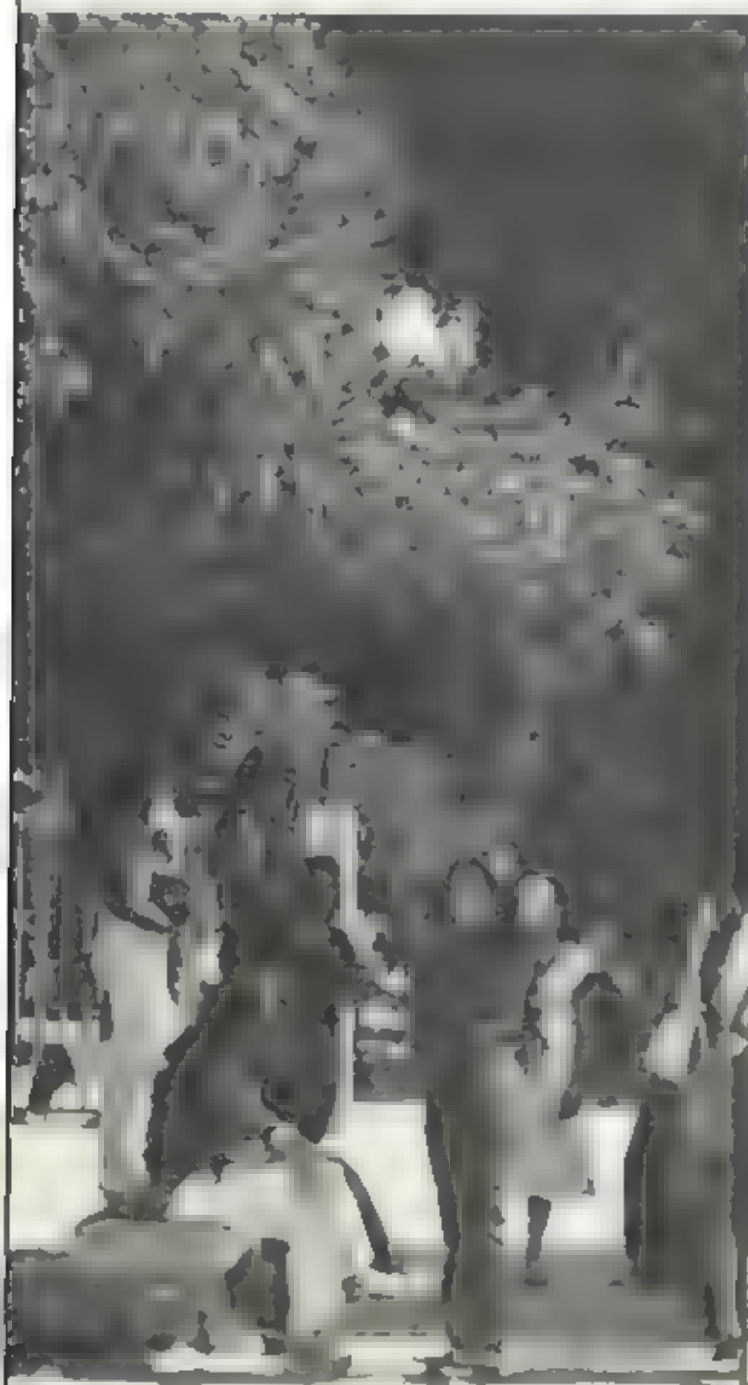

Several years ago by mischievous students, this building was painted with graffiti.

South Quad being the most crowded area on a 40-acre campus contains most of the hangouts at Chaffey. South Quad, North Hall, and Soc Square.

The Math Science building provides an area for students to get together at lunch or after school and talk about the day's happenings.

At every new line for the day, one is able to see what the south side of South Hall really looks like.

The farthest side of South Hall is a hangout for many students who wish to escape the sun by relaxing under the trees.

SENIOR CLASS CABINET

The six people of the Senior Class Cabinet of 1975 each became class officers knowing full of how much time and energy their jobs would require of them. They did, however, manage to perform the duties expected of them with the help of their advisors. Some of these duties included sponsoring such activities as a car smash and the first Backwards Dance of the year, planning the Junior Prom held at the Registry Hotel in Orange County, and working to keep the tradition of graduation ceremonies alive at Challev.

SEAL BEARERS

Seal Bearers were seniors who qualified for life membership in the California Scholarship Federation. They must have been members of C S F for at least four of the last five or six semesters, and at least one of these memberships must have been earned during the senior year. These students were easily identified by the gold tassels and gold cords they wore during the graduation ceremonies.

Front row: Catherine Wampler, Jeffery White, John S. Spring, Mary Carpenter, Lisa Haskins, Danke, Randy Koss, Michele Koss, John Haskins. Back row: Tarratha Maxwell, Carol Ling, Lor Sandquist, Thacker. Not pictured: Randy Hodge, Eannie Gill, and Kathryn Martin.

DEPARTMENTAL AWARDS

Alberto Aguirre
Foreign Language

The departmental awards were given to students who had been outstanding in the department during their four years at Chatley. The students were chosen by a committee from each department. The committees considered each student's interests in the department and how many classes each student had taken in the depart-

ment. After eliminating the many students that were nominated by each teacher, the committee brought the number down to eight students. Then considering these eight students' grade point averages, the committees decided on the four students for the department.

During their government classes, seniors were asked to vote for the seniors whom they felt deserved the above titles. In keeping the winners a secret, the Fasti staff took pictures of the top two couples in each category so no one would know who won until he (she) opened the FASTI to these two pages. Also listed are some favorites chosen by the seniors.

ORANGE AND

To Chaffey's glowing colors
We owe allegiance true
And forever we will cherish
Our banner's glorious hue
So we'll hail our radiant colors
Nor honor shall they lack
While Chaffey stands defender
Of the Orange and the Black

Then all hail to dear old Chaffey
All hail her colors bright
A cheer for her defenders
All honor to her might
When we win athletic victories
On football field or track
We are working sure for Chaffey
And the Orange and the Black

To our high school we'll be loyal
When we leave her honored halls
Her spirit still shall guide us
Where'er the future calls
And we'll gain new faith and courage
As we turn our memories back
To those happy days at Chaffey
Neath the Orange and the Black

BLACK SPIRIT

SOMETHING FOR EVERYONE

Chaffey may well be like a world in its own, however, evidence of the outside world appeared daily as it influenced what would become the newest fad or fashion on the Chaffey campus.

On the more practical side there were backpacks, inspired by hikers, and all shapes and sizes of canvas bags which served to carry everything from a 20 year old math book to dirty gym socks. These became even more popular, as it kept many from looking like bookworms or pack-mules. The arrival of shoeskates brought back the roller skating craze, providing a much more economical, not to mention, fun way of getting around. Practicality also affected clothing, as students dressed more for comfort than for appearance.

There were times, however, when students felt like being a little impractical, so they splurged on more expensive

items. Straight legged designer jeans bearing such labels as Jordache or Chemin de Fer were worn with the ever popular slides by many female students. Guys, as well as, girls sported velvety soft velour shirts in all colors of the rainbow. One of the most costly fads was the sports car, the Camaro. This became one of the most popular cars with the student body. Those who could afford to own a Camaro had them equipped with all of the "extras."

There were also many fads and fashions that were neither necessarily practical or impractical. These ranged from ceramic pins to straw cowboy hats, for those guys who wished to look like professional football players, to all types of braided hair. For Chaffey students, there was indeed something for everyone.

Chatting with a friend is a good enough time as any to show-off a new hat.

Like many other cars, this Camaro equipped with all the "extras" sits in the parking lot waiting for its owner who will undoubtedly take it to go out to lunch.

This student shows off her designer jeans in a more casual style, rolled at the cuffs and with sandals.

A LOOK AT 1979-80

The Iran an Crisis was marked by the appearance of this man Ayatollah Khomeini.

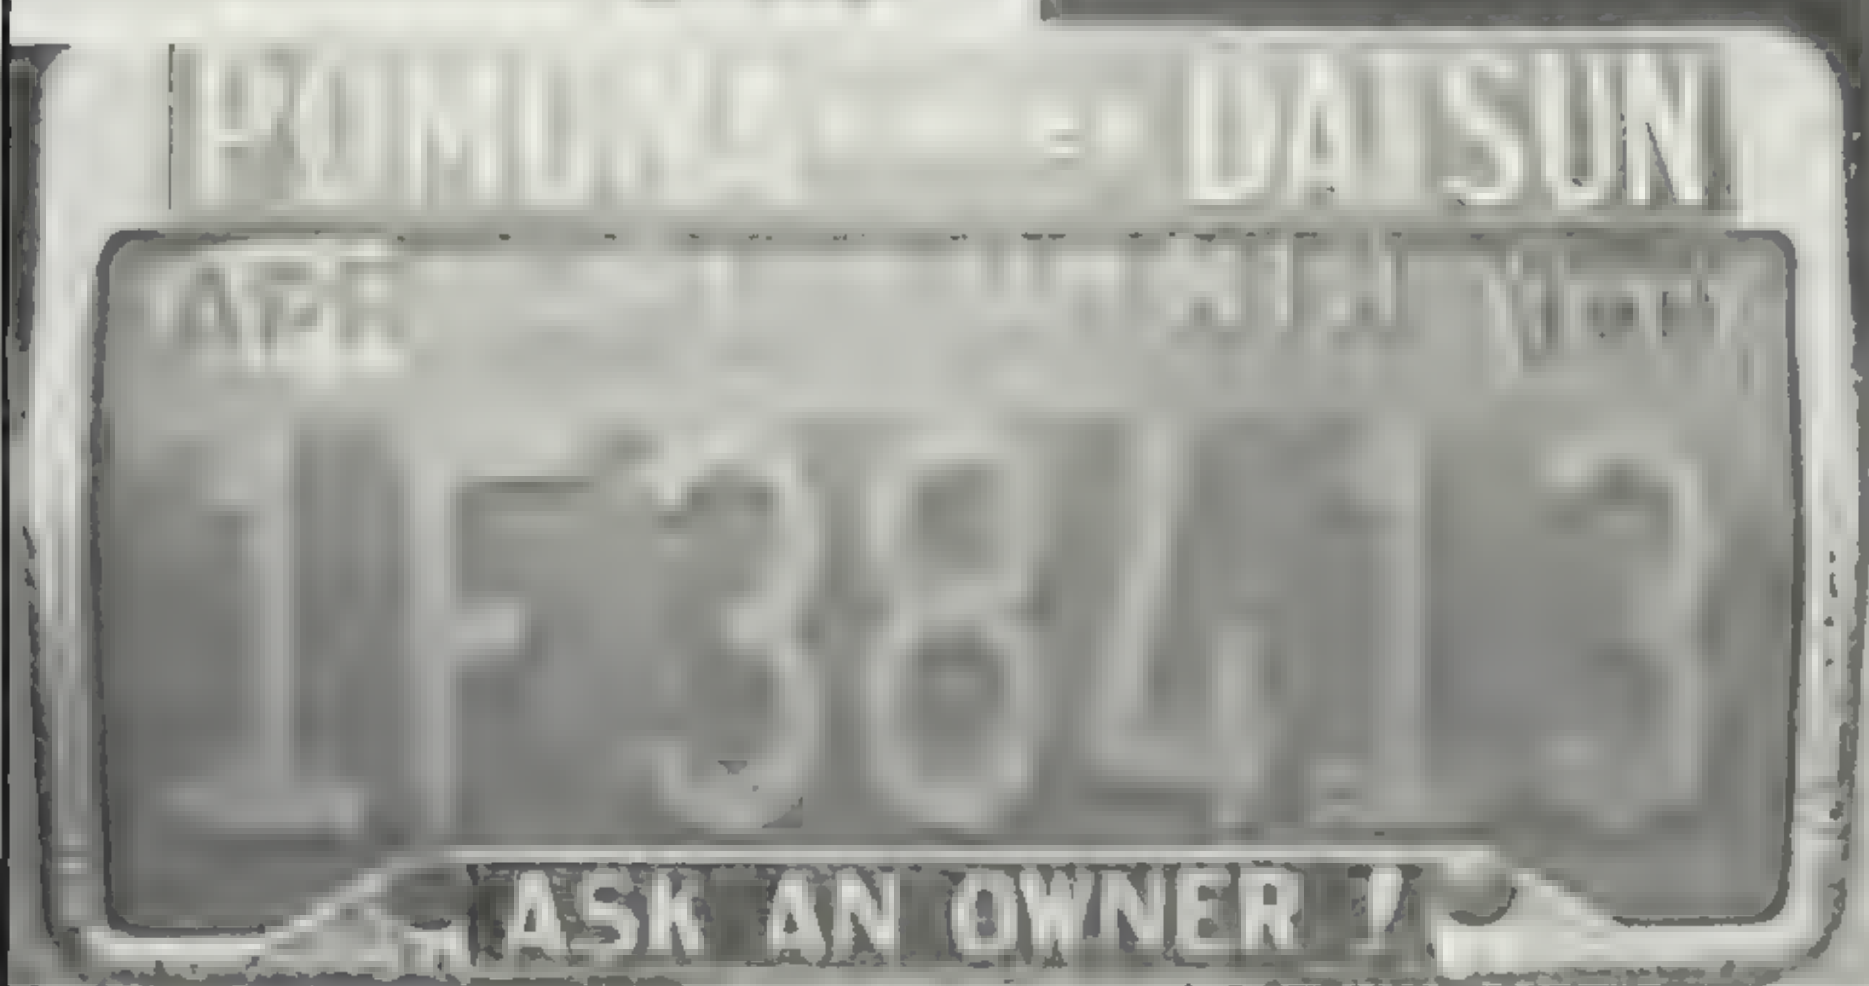

Marked by high prices and a crisis or two, the change from the seventies to the eighties will undoubtedly remain in our minds for years to come. In the 1980 Winter Olympics our nation tasted the thrill of victory through the accomplishments of our ice hockey team and Eric Heiden, and felt the agony of defeat through Tai Babilonia and Randy Gardner's misfortune. As our nation rocked in and out of perilous seas, presidential candidates presented their views and resolutions in hopes of gaining votes.

Few Chaffey students were directly affected by what was going on in the "outside world." Conversations of the possibility of the draft frequented the campus, but all we were really worried about was whether we were odd or even. Punk rock soon invaded our lives, along with the usual favorites, as stereos became more popular than television.

Taken in January, this picture depicts the price of gas as it 'was

Ask the owner of this car if he is odd or even, and he will answer 'odd.' People soon became used to this system as a way of life.

Many long hours of hard work were put in by Chafley's Executive Council to make this year a success. During the course of the year, the "Executives" organized our school's budget, the blood drive, the planning of the Senior Class closing activities and the sale of Combo Cards. They also dealt with such problems as trash pick-up, the lacking of parking lot space and the communication system on our campus.

CREATING ENTHUSIASM

The Activities Council handled a tough schedule throughout the year. They were constantly busy planning such events as the rallies, the intramurals, the athletic program, and the Junior-Senior Prom. Among many other things, the council worked well together to keep the school's spirit and pride up during both the good and the bad times. Many fun activities came about because of the hard work put in by the 1979-80 Activities Council.

It was suprising to walk into Auditorium 131 and hear, "Hey Matt..." followed by some ridiculous joke. This was the beginning of the day, all those crazy jokes and just plain clowning around. This class, believe it or not was the Chafey High Chamber Singers. The group started out the year young and relatively inexperienced as a choral group. Under the direction of **MATT SCULLY**, Chamber Singers practiced many long hours to achieve the goals they had obtained.

This group made more progress than any before it.

The Acappella Choir started the year with some difficulties. The first of their tragedies was the death of their advisor **MRS. PUNTNEY**. This was a difficult time for Acappella, especially for all that knew and loved her. She will be missed greatly by the whole group. They also started out the year as a small group, but with the help of **MR. SCULLY**, Acappella ended the year with some sixty members.

"We worked hard at becoming a group and finished the year meeting our goal."

SPEAKING OUT ON . . .

Reducing starvation and the extinction of animals were just a few of the topics discussed by the National Forensic League. The league consisted of the speech class, under the direction of **MRS. MACY**, and the speech club. The class was designed to help students become more secure in speaking before the public.

"The Chafey Speech program was off to a great start. We had a lot of new talent that is blossoming forth."

The groups accomplished this by doing such things as a radio show, T.V. show, panel discussions, and reader's theatre. Belonging to the Citrus Bell League, the group also competed with schools ranging from Cal Poly to Riverside to Redlands.

Often seen carrying around portable typewriters and stacks of papers were the dedicated members of the school paper **TIGER RAG**. Because of these students' interest in journalism, they found an advisor, **MR. YOCUM**, and started up the school paper, which had been cancelled the year before. Staff members worked diligently on the average of two to three days a week after school to produce an issue every month.

"We had a really new staff that didn't really know what to do. Things turned out alright though." Cherie Snell, Editor-in-Chief.

What does Christmas really mean? To some it means snow and skiing, to others it's Christmas shopping and decorating the tree, but there are those select few who think of "Holiday Fling" and the last day before Christmas vacation. So once again the Performing Arts Department presented the "Holiday Fling." All departments from band and drill team to speech and drama participated in the program. Though there wasn't any snow on the ground, there was still a lot of spirit among the students.

CHAFFEY BAND MARCHES

Marching through wet grass during the cold wee hours of the morning was the daily routine during the fall and winter months for the Chaffey Tiger Marching Band. Literally hundreds of hours were spent during the year to help perfect the Band's symphonic tone. These long hours of practice really paid off in their performances. One of the Tiger Band's best performance was the halftime entertainment show featuring the theme from the hit musical, "Westside Story."

Feel the overall performance of this year's band was good considering the smallness of their size."
—Lori Bright

The Band performed at all of the home football games and at all of the away CIF games. The Tiger Band sponsored the Tournament of Bands here. Several bands from all over Southern California came to compete in the Tiger's tournament. Holiday Fling was also enhanced by the performance of the Tiger Band. They displayed their great Holiday spirit by playing several Christmas tunes. Thanks to **MR. MERCER** and many dedicated individuals the 1979-80 Tiger Marching Band was an incomparable success.

ARMANDO THE MIME, at the Father-Daughter Banquet, blows a bubble.

Girls' league was responsible for many activities. They started the year off with Freshman Orientation. It was both a big success and a help to all incoming students. The Father-Daughter Banquet was also put on by the league.

'The entertainment really made the banquet enjoyable.'

ANDRIA VAUGHN

During the Christmas Welfare Week \$750 dollars were raised for needy families. The Dutch Auction brought in the most money. The Backwards Week was hard work, but fun, and the dance was well looked forward to. The Mother-Daughter Banquet ended their activities for 1980. They did a good job!

KING PERSONALITIES

One event in February that was really looked forward to was the Backwards Week. The week's activities were developed to get the king candidates, each whom were run by some organization on campus, as well as the students involved. The main theme was, of course to have fun. The success of the week was greatly attributed to the Girl's League Planning and hard work made the week a very memorable one for everyone. The king candidates participated in events such as, the usual rally and a wild and crazy parade held during both lunches. As the days progressed, so did the campaigning and the excitement. Sales during the week consisted of Hippy Hellos carnations, ice cream and helium balloons. All of these events led up to the Backwards Dance which proved to be enjoyable for all who attended.

THE HAIRY HIPPIES OF THE 1960'S

This theme of the 1980 Backwards Dance left a lot up to the imaginations of Chaffey students. Couples dressed as anything from flower children to the average 1960's teenager. The evening passed quickly as everyone danced to the sounds of "88". Curiosity of some grew as time went by while other anxious groups began guessing at the outcome of Friday's voting. Finally time came and the candidates were introduced for the last time. **TONY COPP**, a true backwards king was announced the winner.

FROM THE FLOORS TO . . .

Every year a house has been built by the Chaffey building construction class. This was the sixth year such a major task was completed. The construction was done under the direction of **MR. HERRERA**.

"We call the house, the New Horizon Mr. Herrera

The house is 1800 square feet, which includes the garage. The boys did eighty percent of the work, which was everything with the exception of the exterior stucco and plumbing. While the construction class did the actual building, the cabinet making class made the cabinets for the interior of the house. These boys were under the direction of **MR. DUNLAP**. There are fourteen cabinets and they are made of birch. The combination of the two classes did an excellent job.

Within the framework walls, **JOHN LEWIS** shortens a 2x4.

STRUGGLE OF THE CLASSES

Throughout the year, many competitions between the classes were held. The battles took place during lunches and rallies with such events as egg tossing, grape stomping, tug of war, and teacher/student three-legged races. The winning classes received points which were charted in the activities board room in South hall. Points were also given to Spirit Nite yell' winners and the classes with the most number of voters in elections.

Class competition originated four years ago to promote more spirit within the classes and within the school as a whole. Congratulations to the Senior class which took the lead at the beginning of the year and followed through to the end.

AS THE WEEK PROGRESSED . . .

Our homecoming week consisted of several activities. Queen candidates competed in a number of ways. They participated in a pie-eating contest, a parade down North and South Quads and of course the traditional Homecoming Rally. The week's excitement reached its peak during the halftime show at the football game against

Pomona. The CHS Band and the University of Arizona Band played a few songs while majorettes danced. The candidates were escorted to the center of the field and the crowd cheered. The excitement was overwhelming as **SANDY ROJAS** was crowned 1979 Homecoming Queen.

REFLECTIONS IN THE SNOW

There have been many changes at Chaffey over the past year. One of these changes concerned the Winter Formal and the choosing of a queen to reign over the festivities. With all the confusion and problems, the dance was held on February 2, 1980. The formal was held at the Mission Inn in Riverside. **DONNA DANKE** was crowned the first, and possibly the last Winter Formal Queen.

The thing I treasure most is the support that all of my friends gave me while running for Queen. I give my thanks to all of them.

Cinco de Mayo was a big day and a big week for Challey students. During the week they were entertained all night by live music and also by a boxing exhibition by Ontario boxers. They participated in a tortilla making contest while an authentic Mariachi band played alongside. The final activity for Cinco de Mayo week was the traditional car show. Later on in the evening a dance was held in the cafeteria.

Entertainment provided by the B S U dance group was highly enjoyed at the B S U assembly.

Black Awareness Week was filled with much excitement especially among the Black Students. The week of Feb. 18-23 was set aside for students to become better informed about black heritage. The week included an assembly in which some of our own students participated in dances and sang songs. Included in the assembly was a demonstration of African culture presented by a group of black students for Cal Poly, Pomona.

A CALENDAR OF EVENTS

Debbie Hagen — Editor Gary Simpson — Advisor Michele Johnston — Co-Editor

Fasti, latin for "Calendar of Events," has been a Chaffey tradition for over half a century. Each year, Fasti staffs try to capture memories through pictures and words that were special to their high school year.

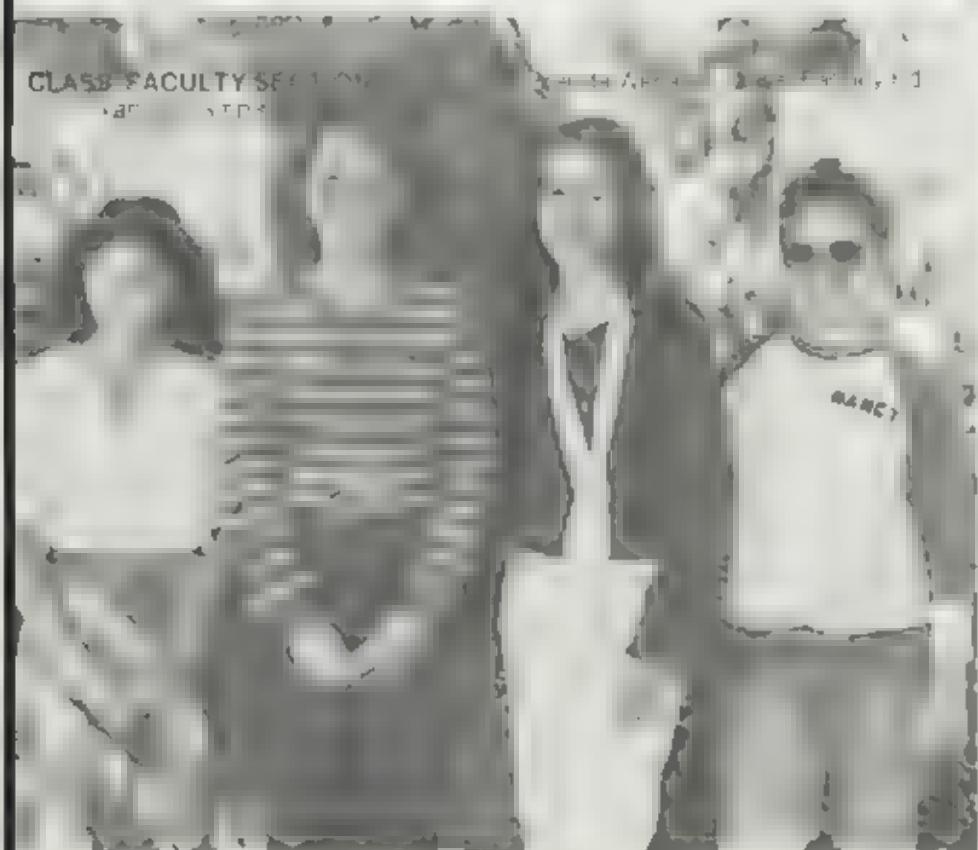

Deep within the confinements of South Basement, twenty-one yearbook staff members and a new yearbook advisor began planning out the 1980 Fasti. Early in September creativity began to flow as decisions were made concerning the book's theme, cover and countless other details. Deadlines were a constant threat to the staff's sanity. A landslide of missing pictures and losses of words plagued the staff as deadlines drew near. However, the staff did manage to meet the deadlines and remain relatively sane until the yearbook was completed.

[Faint handwritten notes on lined paper]

In excited anticipation, the entire crowd of fans rise to their feet. Eyes divert to the scoreboard, then the field the to the scoreboard again. At that instance the packed stadium, in voluminous chorus, chants the countdown — Five . . . four . . . three . . . two one . . . zero! Shouts of cheers laughter of joy, and elated bravos fill the air. But why shouldn't the fans be joyous? After all, their team, the Chaffey High School varsity football team, had just won the semi-finals of CIF. And for the first time in thirty-eight years the Tigers would represent Chaffey at the CIF finals.

Getting to this position, however, was no easy accomplishment for the team. Before the varsity squad could be crowned co-champions (sharing the title with Upland) of the Baseline League, and have a shot at CIF finals a profound six-game losing streak had to be broken. By the seventh game of the season, prospects of a win still looked doubtful. Even the Chaffey fans' faith in the tiger team began to dwindle. But somewhere along the line the guys figured it was time to win . . . so that's exactly what they did. Reminisced head-coach **RAY STARK**, "It was not until the second league game with Glendora that the Tigers were able to turn their season around and taste victory. From

that time on they did not come close to losing, rolling over Pomona, Damien, and Claremont. That record earned them first place and CIF playoff entry."

When one thinks about it, though, winning obviously couldn't have been too difficult for the team, considering the talent it possessed. Several players received prestigious honors for their outstanding football abilities. Stand-outs include senior **JOE OLIVE** who was placed on the first offensive and defensive Baseline League teams, the first team on the Pomona Valley All-Stars, CIF defensive linebacker, and was dubbed All-Offensive player of the BLL. Other talented offensive seniors are **STEVE OLSEN** (CIF offensive center) and **ADRIAN SAGASTA**, both of whom made the first BLL and Pomona Valley All-Stars team.

My most memorable experience in football was when we won the Glendora game. It was our first win. Everyone just went crazy . . . it was like we won the Super Bowl!

On the defensive end, **AARON MOOG** did as well as his teammate **OLIVE** did. In addition to being on the BLL defensive team, **MOOG** was named All-Defensive Player of the BLL, CIF defensive tackler, and Pomona Valley Defensive Player of the Year.

These fine players, together with their great teammates, made the 1980 Chaffey varsity football team the best in Chaffey's history!

TENNIS TIGERETTES TRY HARD

It's not whether you win or lose, it's how you play the game." This timely quote really hits home when referring to the girls' tennis team. Ending their overall season with a four and seven record, the team, composed largely of undergraduates, marked the year with

significant improvement. Reminded **COACH DIXON**, "We were in a difficult league and even though our record was not as we would have liked it to be, we improved and were much better by the end of the season."

It was nice having a new coach who was enthusiastic and cared about her team and showed it.

—Candy Marlowe

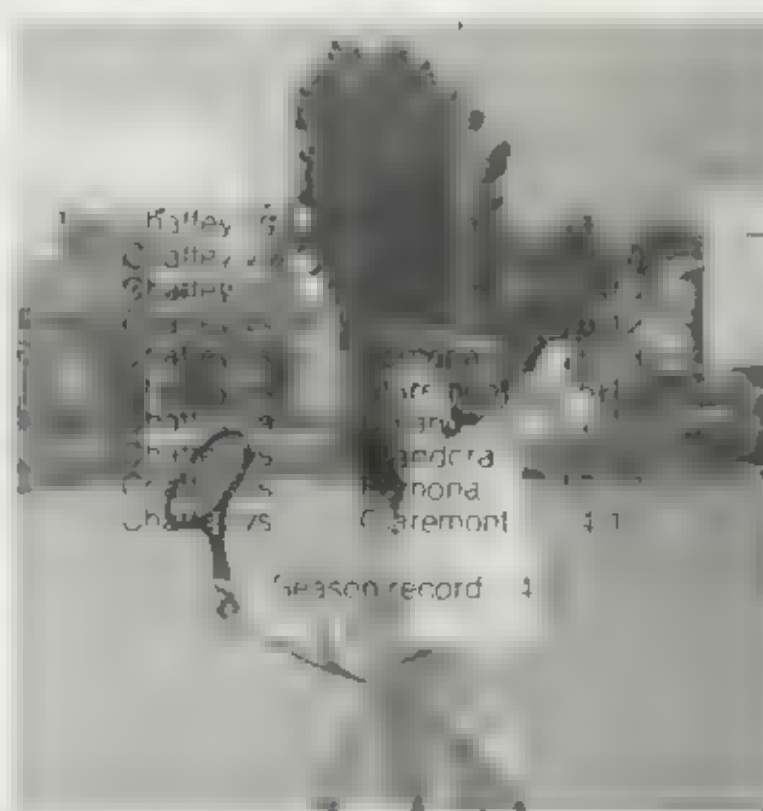

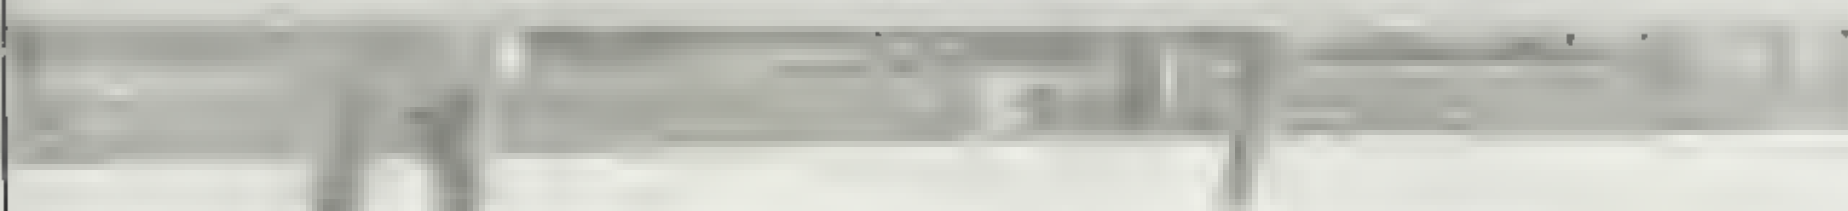

But despite the fact that their record wasn't the best, several girls did do very well in league finals. Playing in the singles category, **ROBIN McEACHRON** advanced to the second round before bowing out. Bringing victory to the doubles category, **JENNIE BRAVINDER** and **MARYANNE RADCLIFF** placed fourth in the final round of league play-offs. And never

to be out-played, junior **PATTY TUNDIS** and freshman **KATIE STERITZ** went all the way to win the Baseline league championship in doubles. Those two then advanced to CF finals, rated second in their division. No doubt **COACH DIXON** was correct when she said, "Everyone should look forward to a better year next year."

Anticipating a winning game varsity H.O. players chant their Hanganan cheer with enthusiasm

Boasting bronzed bodies, sun bleached hair, and spending half the day in the water brings to mind your typical surfer, right? Wrong! It's your typical Chaffey Water Polo player. But for the varsity Water Polo team splashing vigorously under the sun day in and day out definitely wasn't spent in vain. This dedicated team held a fine record of 15 victories to 11 losses. Their season ended only when they lost a heart breaking game, a 10-9 verdict, in the second round of C I F play offs. 'Although the 1979 Water Polo team came inches away from achieving our goal this was a very successful team,' commented **COACH DAVE KENT**.

My most memorable game of the season was against Foothill second round C I F. Even though we lost we knew it might be our last game of the season, and we gave it our all to win, and tried our best.

— Darren Mierau

With such exceptional talent on this year's team, the Aqua Tigers could be no less than successful! The most valuable player, and goalie, **BOBBY CALDERA**, in all C I F, played tremendously all year. **DARREN MIERAU**, with an honorable mention, and **DARRYL EVAN'S** magnificent playing ability earned each of them a spot on the all league's first team. Season 1980

Talented, experienced, devoted, and enthusiastic just begins to describe the girls' volleyball team. Perhaps the best ever in Chaffey's history the varsity had an overwhelming record of 10-0 for the season. The abundant talent of these girls was more than likely the key factor to their success. Seniors, **JUDY ARIA** — most inspirational, **LISA BASSI** — outstanding server, all league, and **DONNA HOLLINGWORTH** — all league, were lead starters for the year. But if any player was unable to finish out the game **COACH FLAHARTY** simply needed to pick any of his other players. They could do just as well.

I was a good feeling to know that it was the first time in about 10 years that the girls' volleyball team has been undefeated.
— Kathy Fisher

Said **COACH FLAHARTY**, "There was great ability on the bench to reach for when needed." Not to be overlooked was the outstanding hitter, outstanding server, most valuable, and the all B L L player, junior, **VICKI KOUSTIK**. With all the team's dedication and powerful energy in 1979-80 we can look forward to even higher standings next season.

Neither rain, nor sleet, nor gloom of coaches, shall keep these seventeen trusting souls from their hazardous duties. Yes, this is the Chaffey Cross Country team.

Cross Country, one of the many forgotten sports here at Chaffey, isn't the easiest sport to be a spectator for, but it also isn't easy to participate in. Yet, barring all odds, the team had a great season, or as **COACH OVITT** stated: "The season was successful, not in terms of team victories, but in the individual improvements."

Altogether, the year was full of pitfalls for our brave lads and lasses, yet **OVITT** still has hope for the team's comeback next year.

*adding hope to the future is the performance of our three outstanding Varsity-sophomores: **SYLVESTER MARTINEZ, HECTOR ROBLES, and CLIVE WOODS.***

BASKETBALL OF 1980

Damien opponents are made aware of the presence **TONY McCRAY**, on the basketball court.

Slam dunking, dribbling, and making baskets — What do these words have in common? They could be used to describe Saturday night at an insane asylum, . . . or . . . a basketball game. Yes Basketball!

It was a great team. Instead of one person trying to be a whole team, it was more like a whole team trying to be one person. They were a very finely tuned unit, a "well-balanced team of young men," stated the coach.

They work great together. I've coached many teams at this school. None were so easy to get along with as the young men on the team this year.

— Coach Nelson

At the beginning of the season victories were few, but did our team floun-

der? No! Though winning is great, losing made them work harder to be number one. From early in the afternoon till late at night, they could be seen running back and forth on the court, continually improving their skills. The coach put a great emphasis on all this running. In fact, they ran so much that every player on the team could cross the court in five or fewer steps!

The basketball team's forte, however, was not running, but teamwork. Each team member made a contribution to the power of our team. For example **TONY McCRAY** and **RICK GALLARDO**, two of our best scorers; **TONY COPP** and **FABIAN MARTIN**, whose height allowed them to easily weave between the opponents, and **SYLVESTER CASTRO**, whose stealthy quiet moves brought anxiety to the opposition.

Once you learn how to play, you don't want to quit. But I really wish field hockey would still continue so I can learn more.

One reason for such a great team was the practice put in. The practice schedule was 2:15-4:15 daily. Here is a comment from the dedicated **COACH CLINE:** "I have the best group of ladies a coach could wish for and it is a pleasure to be a part of their hockey team. Soccer: A

Futbol, lefootball, futsal, or soccer! In any language one says it, this fast-paced field sport is undoubtedly one of the best loved around the world. Not until the last ten years, has soccer really developed in America. And it's been within this time that Chaffey has seen the rise of their own soccer team.

In graceful goatee form **SYLVESTER MARTINEZ** tips away the ball.

Sometimes two heads are better than one. **CLE KOOIMAN #16** proves this as **JON GRAFF #13** positions himself close by.

Kick in the Grass!

MR. SEIRAN STEPANIAN is the one to thank for this.

Seven years ago, Coach Stepanian convinced **CLYDE FRANSISCO** to let him start a soccer program at Chatley. Since then, **STEPANIAN** built one unenthusiastic, skeptical team into a three-team strong program with a fine winning tradition behind it. Chatley again had a fine soccer team. As **COACH STEPANIAN** put it, "We were the best in the league — a tremendous amount of skill packed into one team."

But skill alone doesn't make a team good. As in many sports, commitment, teamwork, agility, and a incredible amount of endurance also play an important part in success. This, perhaps, is emphasized more on the soccer field than on any other sport turf.

No offensive center, for example, can dribble very far without eventually needing a halfback to pass to. Nor can any goalie survive very long without having fullbacks to faithfully protect him.

Thus, soccer is more than just "a kick in the grass." It is a complex arrangement of passing patterns and kicking techniques. It is a game of continuous running and intense training. It is a game to be enjoyed.

The greatest thing about soccer is the teamwork involved and the teamwork-competition between opposing teams.

WRESTLING 1980

A superb finish for **BILL MENNER** when the referee announces his victory

ALL WRAPPED UP IN WRESTLING

Our team motto is: If you can call yourself a wrestler, you can call yourself an athlete.
— **TODD LOGAN**

Chaffey rebuilds! Last year, Chaffey was ripped out of the thrill of having a wrestling team. Well, the story has changed. We've regained our senses. Yes, now in the year 1980 Chaffey has acquired not only a new staff member but also a new wrestling coach in Mr. Everard.

Considering the lack of background our team has had, they are doing a "respectable job" as was stated by Coach Everard. The three outstanding senior wrestlers, who have had some experience are Captains

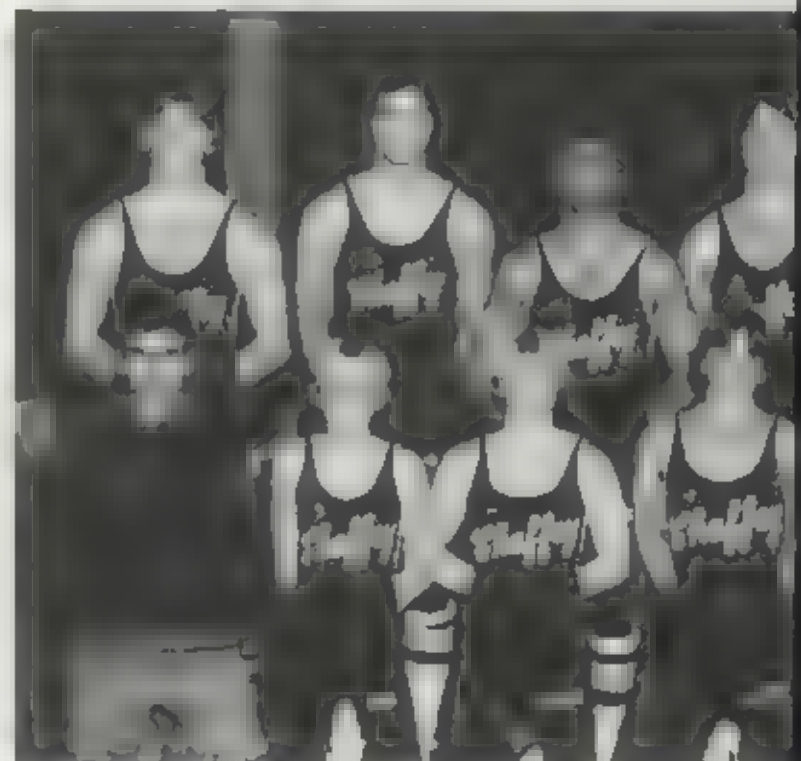

BILL MENNER, TODD LOGAN, and ROBERT (ALDO) ALDERETE.

Wrestling is a sport different from all others. Each team member works toward perfection for himself yet the combined total of their efforts determine the team standings. Our teams have done relatively well with scores of 3-10 for the Varsity, 9-5 for the JV, 7-1 for the Frosh/Soph and an all-round total of 19 wins, 16 losses.

STEVE TURCHETTA keeps an unwielding, vise-like grip on his opponent to be assured of victory during this match.

The opposition makes one last futile attempt to keep from being pinned, but **JOE ROMERO** has him where he wants him and there isn't a prayer left when Chaffey is in command! Δ

Swimming in 90° weather and jumping into a nice warm pool . . . Now doesn't that sound great! Yet this was just a dream to the Chaffey Swim and Diving teams. Many long afternoons were spent during the winter months practicing in the cold water. But by the time the spring months rolled around many people envied them.

One of the dedicated swimmers included **LARRY SULLIVAN** who returned to defend his league Championship and CIF finals performance. Two other standouts were **JEFF MCKELLAR** and **BOBBY CALDERA**. With these three standout performers and the rest of the swimmers, the Chaffey Swim Team showed that they were top of their league.

SEA SQUIRTS SWIM SUCCESSFULLY

Even though Coach Morris seemingly can't count, she has done wonders with the girls' swim team. ♡

When taking a quiet stroll across Chatley's campus, thinking of the things to do upon reaching home, sounds could be heard, splashing, screaming, and laughing. What could it be? Of course! The girls' swim team.

For the first time, the girls' and the boys' swim teams practiced together. The close contact caused the girls to practice harder and the boys to practice less. Many, many times the boys were told to "keep on their own side," and were chased out of the "girls'" side of the pool.

With the help of "star" swimmers **SHERRY GRAMM, KARLA RADCLIFF, JILL BRINGMAN,** and **KIM VESTAL**, the girls' team "raked" in not only the boys but the points. The boys, more often than not were thrown back, but the points kept building. Even the toughest of their competition, Upland and Claremont, had to stand back and give way to the Chatley Tig-erettes.

I really enjoy swimming because even when we don't win we have a good time in the bus.

GOLF, A SPORT UNKNOWN

Golf is more of mental game than a physical game — it requires lots of concentration

— Keith Armbruster

Eagle, par, wood, putter, fairway, and bunker are just some terms used in golf. If asked, however, not many people at Chaffey would know what these terms referred to. In fact, few ever give golfing a second look.

Because of this many fail to recognize the skill required to play the sport. When putting, for example, wrists must be twisted correctly, shoulders have to be aligned properly and even the head has to remain in perfect form. If any of these techniques are ignored, most likely such typical golf course hazards as sandtraps, ponds, and rough greens are bound to plague the golfer.

So "putting" along, Chaffey's golf team led by **COACH NELSON** headed for a progressive year. Golfing veterans, such as **JOHN ROSIER**, **DAVID BANDY**, **RICHARD PARKER**, and **STEVE MUNSON** helped lead the team to victory while new members helped by contributing their lowest scores.

TRACK TEAMS RUN-AWAY WITH VICTORIES

One sport here at Chaffey seldom saw its athletes receive fame or glory though many deserved it. This sport was rarely blessed by a crowd of cheering fans, although one would have had good reason to cheer. It is a sport that wasn't even played the popular "kick-pass-dribble-or-hit-the-ball" way, yet it usually required long hours of practice in unbearable heat. This sport was Track and Field. And even though it didn't seem, superficially, to have much to offer, it was nevertheless one of the largest sport programs on campus with over ninety students participating this past year.

Perhaps such enthusiastic response was due to the nature of the sport. Track and Field offers a wide variety of events so if a person wasn't good in the 880 he could enter the high jump or the shot put or maybe the 50 yard dash. But the foremost reason so many students went out for track was for personal satisfaction. They liked to compete for themselves, to build confidence, endurance and friendships.

Track and Field is exhausting work, but fun, too... some of my closest friends come from the track team.

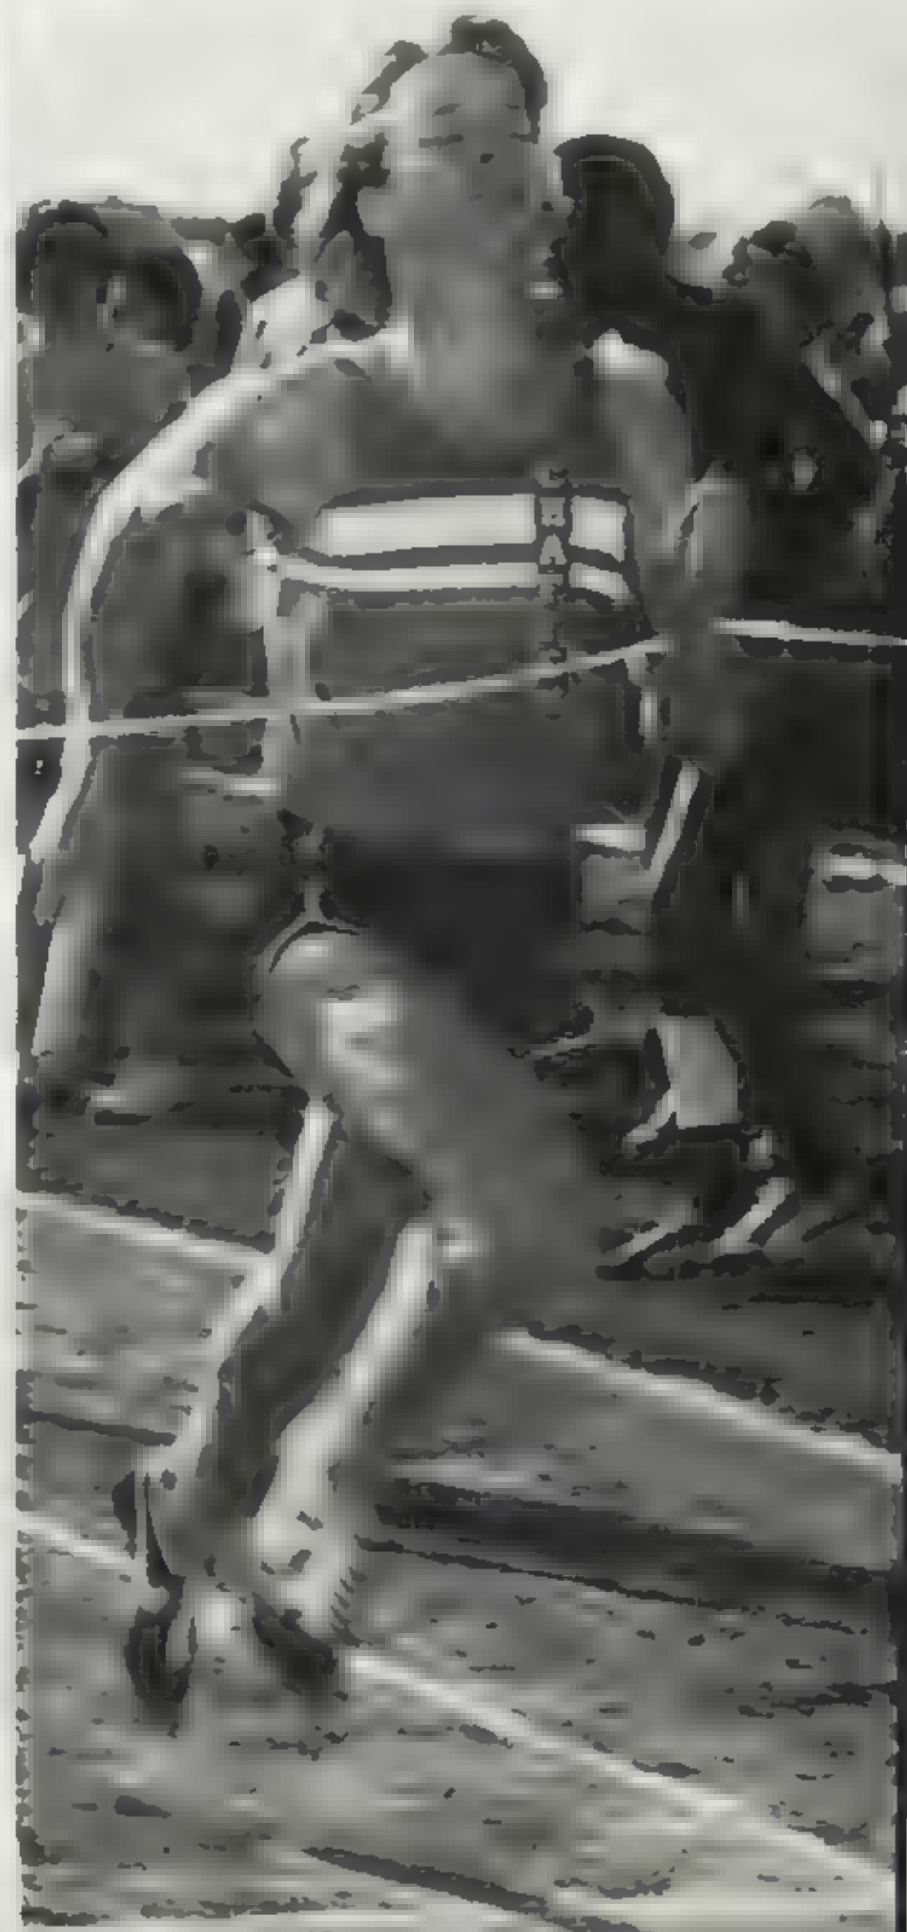

— Debbie Friebus

If such an attitude was true of Chaffey's track team, then we had one big group of satisfied teenagers. Both the boys' and girls' track teams were exceedingly fast, making both of them tops in the league — a status not unusual among Chaffey sports. The girls' team especially, was loaded with talent having had lost only a handful of seniors last year. No wonder nobody was surprised when the track teams ran straight for CIF victory.

SOFTBALL SWINGS INTO ACTION

After school hours a group of speedy and devoted athletes were working hard striving for excellence. These athletes compromised the softball team. With 6 returning varsity players and their good chance for C I F play, the softball team started their season optimistically.

The softball teams got a slightly better turn out of spectators than last year, but still not as many as the number of spectators for the guys. Some of the girls felt that, since softball is not a contact sport, the school views it as boring. But the games were definitely exciting. This can be attributed to the fact that the athletes practiced hard and put their "all" into every game.

The girls work just as hard or harder than the guys, but we don't get the recognition that we deserve. We are a very well balanced team.

Lisa Bassi

Added strength came from **DONNA HOLLINGWORTH** who had strong infield ability and a high ranking batting average and **MOLLY HYDE**, pitcher, who had been on the varsity team for four seasons. On the whole Softball had a better than average batting percentage and a sound defense. With this much experience, they were destined to win.

— Marialice Haselwerdt

Concentration was the key factor when it came to performing floor routines, balancing on the beam, vaulting the horse, or performing bar routines. Gymnastics, at the high school level, allows the gymnast to express her creativity in routines, instead of being bound by compulsory routines. Routines are judged on an entirely individual basis, until the end of the meet when individual scores are added to give the team score.

Waiting for her ride home CATHY STAFFORE lets her thoughts wander.

A black and white photograph of a person, possibly a dancer or acrobat, in a dynamic pose. The person is wearing a light-colored, possibly white, outfit and is captured in a moment of movement, with one leg raised and arms extended. The background shows a room with a window and a lamp, suggesting an indoor setting. The image is somewhat blurry, emphasizing motion.

Striking **RICK KELLY'S** face seems to ask: all of this just for muscles?

SHELLY SAUNDERS

Handwritten musical notation for the first system of 'The Rose Tree'. It features a treble clef, a key signature of one flat (B-flat), and a 2/4 time signature. The melody is written on a five-line staff with a treble clef. The notes are: G4 (quarter), A4 (quarter), B4 (quarter), A4 (quarter), G4 (quarter), F4 (quarter), E4 (quarter), D4 (quarter), C4 (half). There is a double bar line after the first measure. The lyrics 'The Rose Tree' are written below the staff.

Waiting for his cue MR. MERCER, helps spirit night rally

RAH RAH The faculty steps out of their usual jobs and into the pep rally to raise spirit

ADMINISTRATION

DR ADAMS was responsible for the entire operation of Chaffey High School. He was responsible for 3600 students, 177 teachers, and 50 classified staff and counselors. DR ADAMS feels fortunate to be working with various supportive groups such as the Booster Clubs, Band Aides, and the High School Advisory Committee. He felt that the day to day operation of Chaffey would not be possible without these people. The Class of 1980 had faced many new and difficult challenges during the school year, and he wanted to wish them success in the future.

DISTRICT ADMINISTRATION

Mike Dirksen, Superintendent

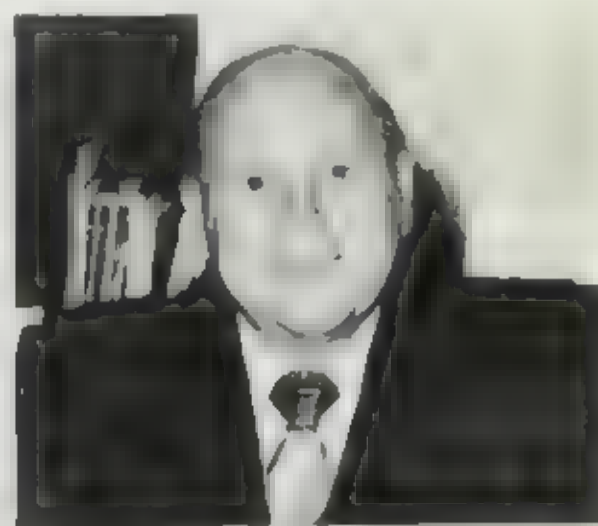

Imagine having the job of taking care of 13,000 teen-agers. That was the job of the Superintendent, **MIKE DIRKSEN**. MR. DIRKSEN was not only responsible for 13,000 students, but was also in charge of all the principals in the Chaffey Union High School District. He felt that the school year was going "GREAT!" He had an optimistic and positive attitude about Chaffey and felt that the Chaffey district was one of the best in the area, if not in the state!

You're a memory of yesterday
yet a meaning for tomorrow.
Gone are the days of sharing
But not the days of caring
I remember
For my heart could never forget.

CHS

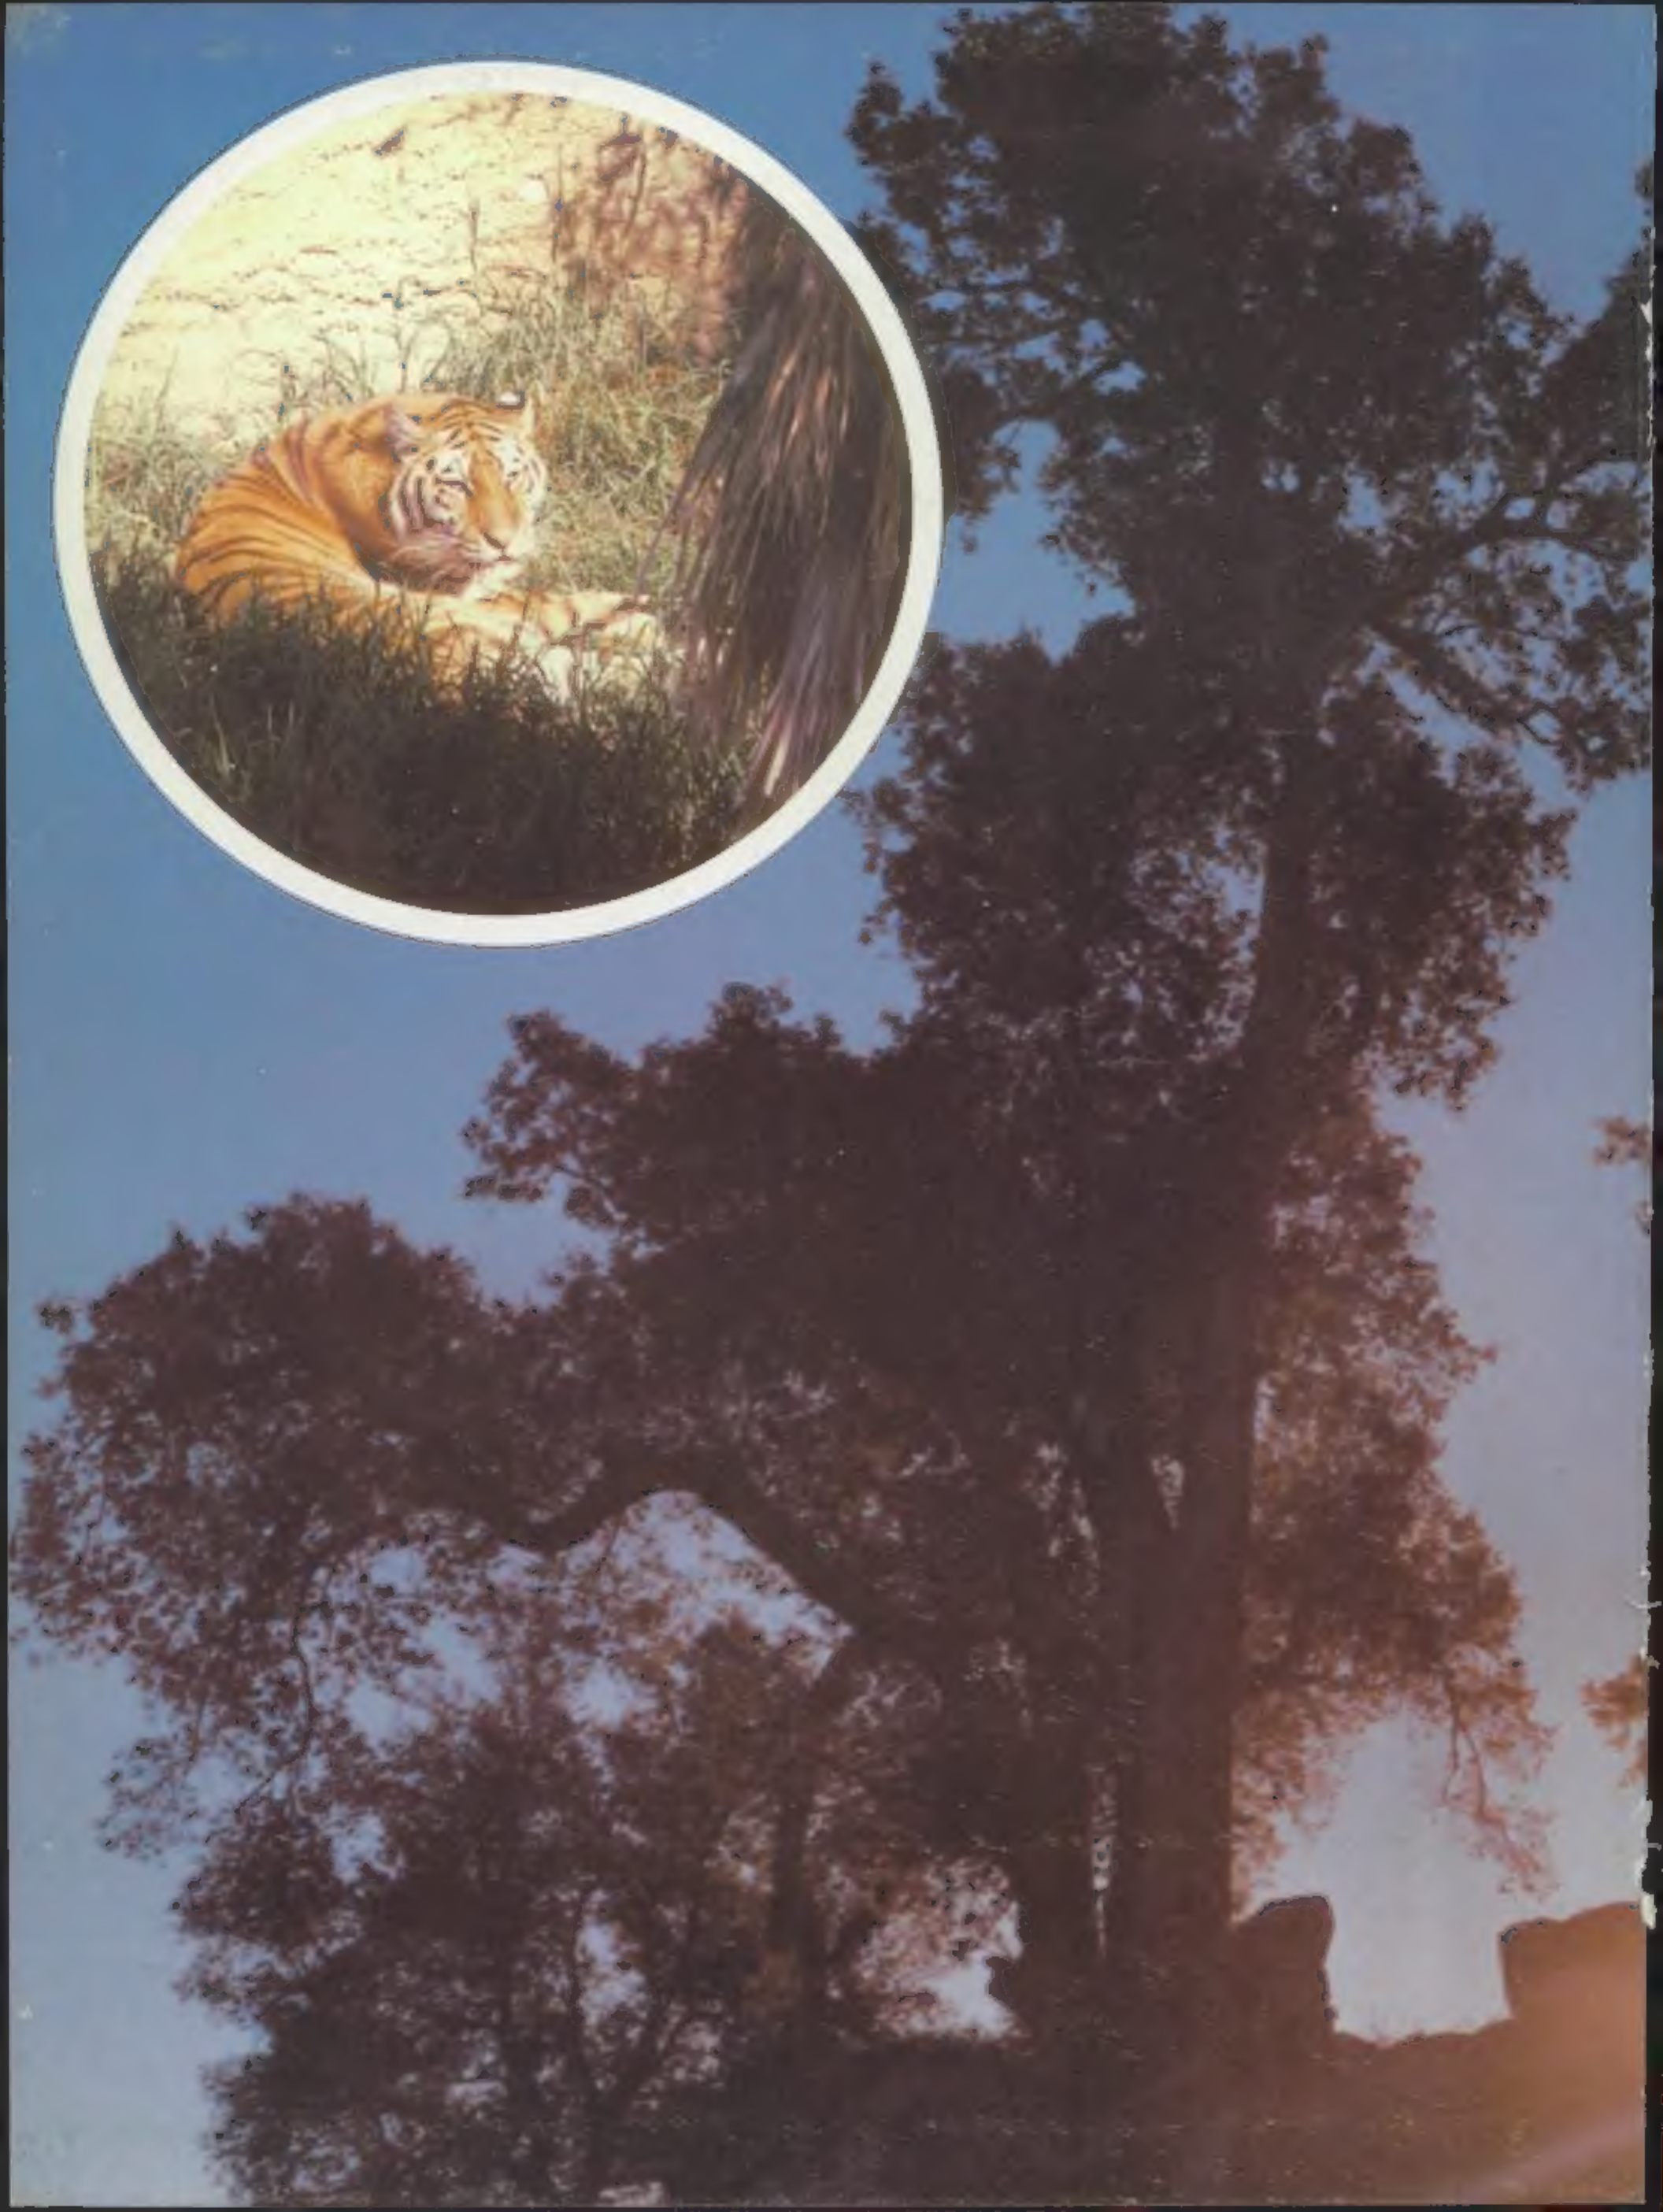

We first came to Chaffey frightened and intimidated by its size and what it would hold for us. We knew that we were entering a world that would later be considered one of the most important parts of our lives. A world where we would learn to grow and to share, to love and to hate. A world that would show us and teach us to cope with the ugliness and unfairness as well as the beauties and joys of the outside world. A world that would mold us into what we would eventually become.

A world of our own — Chaffey

When we finally became seniors, we looked back to the safety and comfort of attending high school, and then looked ahead, sometimes with wonder and sometimes with worry. For the graduating class of 1980, the security of Chaffey High will no longer be a reality. Now it is our time, like so many before us, to leave the world of Chaffey to venture into the outside world . . . and for us, the best is yet to come.

*A WORLD
OF OUR OWN*
